

### **Why Choose Megan Howell?**

**A local “Applegater” with a young family, Megan is community minded and active in our wonderful neck of the woods. With young boys attending our local elementary school and husband working with our local fire station, she’s fully appreciative of both family and neighbors.**

**Megan strives to make her clients transactions as smooth and stress-free as possible. Communication, dedication and reliability are all included in her list of strengths. Completely by your side from assessing your property or beginning your property search, to receiving or delivering your keys. Megan will make it a point to be “on point”.**
